# Mobile Stereo Headset HS200

- Enjoy digital music from your phone - wirelessly!
- WindStop™ microphone delivers clear conversation, even in windy conditions!
- Integrated controls allows you adjust the volume, play, pause or select tracks
- 40 mm neodymium drivers provide superior audio quality
- One touch call answer/end button supports advanced phone options (phone model dependant)
- Progressive behind-the-head design keeps the headphones comfortably in place
- 2-year guarantee
- Full product support

The Logitech Mobile Stereo Headset allows you to enjoy stereo music from your Bluetooth mobile phone, with no annoying cables. Automatically switches off the music when a call comes in. The headset's patent-pending WindStop™ microphone reduces wind noise so it's perfect for outdoor use. Use the integrated controls to adjust volume, play/pause, skip tracks, or answer/end phone calls. Large 40mm neodymium headphone drivers provide exceptional audio quality and its progressive behind the head design keeps the headset comfortably in place.
