Sony Ericsson K310: reviews, tips, comments:

i want k310i driver

dear sir i wants k310i usb driver please solve my problem

unlock sim lock

i have a sony ericsson that has been simlocked by telenor and am in kenya how can i unlock it?

drivers for k310i

please send me free drivers for connecting k310i handset with computer. i have the necessary usb cable.

rose

solicito dar de alta mi equipo telefonico sony ericsson k310.

cd instaler for usb data cable

i loose my cd with the software usb data cable for my sony ericsson k 310 i.

i need to download this cd, please, help me

kakilakamal@yahoo.co.in

howcan i get the free data cable software and modem software for my k310i to connect internet?

internet

i have a sony ericsson k310 mobile phone and through my mobile i want to put my pictures on the internet and in other files of my computer. i have the cable to connect my mobile and computer but i do not know how to get the required information from my mobile to my computer, things like videos and photographs. could you please tell me how to do this? also how to download music and videos from the computer (internet) to the mobile. please give me a solution to this problem. thank you very much.

modem driver k310i

im want modem driver k310i

im not learn english very

how to delete my memory?????????

i have a problem with ma phone momory i baught the phone 2 months before.in tht there was a 3gp movie...but i cant delete tht movie .if ever i try to delete it they willit will say file protected.it takes 2.3 mb... i have to delete it !!!!!

plz help mee

disc2phone

i have a k310i mobile phone,i downloaded the pc suite,but i am not happy,i cant use the disc2phone,i am supposed to find it in sony ericsson support/support but i can't find it there,also i have heard that before you can download it you have to buy extra software,why is this.surely that software should of been with the phone when i bought it,or can i not use disc2phone on my k310i,other phones have the softwar with there phones,why.looking forward to your reply.r barnetson

drivers

sir i need usb drivers for my sony ericsson k310i,j100i and k510 plz send

thnx

need usb driver for k310i

plz send me driver model k310i

modem driver for k310i

http://cellphones.extemo.com/sony_ericsson_k310-mobile.html

where can i find modem driver for sony-ericson k310i?

sony ericcson k310i

i'm trying 2 put music on my mobile and i cant get the disc2phone to down load the software.

k310

wat is the silver thing at the back of of the k310

needed usb driver and modem drivers links for so

dear sir tell me link to download sony ericcson k310i drivers please

k310 driver.

where the hell do i find a k310 usb driver and i do mean pronto!
