

ViewSonic®

VE800 LCD Display

Enhance your image with the 18" VE800 LCD.

The ViewSonic VE800 18.1" LCD offers performance and value in a compact metallic-on-black color design. Boasting a high 400:1 contrast ratio (typ), 200-nit brightness (typ) and 170° viewing angles, the VE800 delivers sharp images, crisp text and vivid color saturation. Its AutoTune function automatically monitors video input from the computer and makes the optimum image adjustments without requiring user involvement. For an 18.1" high-performance LCD display at an affordable price, the VE800 is the perfect choice.

- **Full 18.1" viewable screen**
- **1280x1024 optimum resolution**
Scalable resolution from VGA up to 1280x1024.
- **200 nits of high brightness (typ)**
- **400:1 high contrast ratio (typ)**
- **XtremeView™ performance**
Up to 170° viewing angles horizontally and 170° vertically, providing image clarity from all directions.
- **AutoTune® function**
Automatically monitors video input and optimizes display settings without requiring user adjustments.
- **OnView® controls including ViewMatch® feature**
Customize image adjustments and color temperature via an on-screen menu using simple controls.
- **OSD/Power lock function**
When activated, the user-controlled OSD/power lock function prevents changes to monitor settings, maintaining an optimized image.
